FULL STORY

SPECTACULAR VIEWS OVER THE CITY

We barely touch down in Berlin before we have you whisked to Brewery Lemke at Hackescher Markt. Situated under the railway arches by Alexanderplatz, this buzzy microbrewery and restaurant welcomes you directly into the bustle that Berlin is famed for. Trays of ice-cold beer before an exclusive brewery tour offering a glimpse into the fascinating process of creating craft beer. Local cuisine awaits tour-weary legs, with further local beers to sample on the side. Fully stuffed we transfer to 25hours Hotel Bikini Berlin, our home for the next two nights. Located by Berlin's popular city zoo where the décor takes its nods – think jungle and urban inspired rooms, which overlook the zoo and the bustling city behind it. That evening we meet on the hotel's 10th floor at Neni Restaurant for a sumptuous dinner in its Greenhouse. Surrounded by lush botanicals, this family run restaurant offers a mosaic of Mediterranean, Austrian, and Persian influenced cuisine. After dinner, guests are welcome to continue the fun in lively Monkey Bar, before stumbling happily into bed.

EXPLORE THE CITY IN CONVOY

Following breakfast at the hotel, we take a private transfer to Lichtenberg where our Trabant safari begins. Today is devoted to discovering Berlin's architecture and history. We're first introduced to the Trabant car – an iconic German classic car – we then self drive around the city in what is an eye-catching and impressive convoy.

We pause at all major sights including the Berlin Wall and Checkpoint Charlie. Moved by history, we head to lunch at Nolle Restaurant for a traditional German feast and time to debrief. Decorated with mirrors, marble and art deco paintings, the restaurant setting recreates the atmosphere of former Berlin. Following lunch, there's time to explore the local shops before heading back to the hotel for time at leisure. For our final night we dine on Italian dishes at Patio Restaurant overlooking the River Spree. After dinner, guests can take a short transfer to the Pearl Club to continue their night in an exclusive area.

RACE AGAINST THE CLOCK

After breakfast at the hotel, guests begin their final day with a tablet rally bike tour around the city. A series of riddles displayed on a tablet will guide the teams on a scenic tour through Berlin. The fun begins at the hotel lobby, taking in plenty of sights and stops including a lip-smacking taste of currywurst; a delicious fried sausage seasoned with curry ketchup that you can't leave Berlin without sampling at least once. The tablet rally continues through Tiergarten before finishing at Kafer Rooftop Restaurant for a farewell lunch. Located on top of the historic Reichstag building in the heart of Berlin city, this restaurant serves modern local cuisine and has breath-taking views over Berlin's government district. After a sumptuous lunch, we take a private transfer to the airport for our return flight.

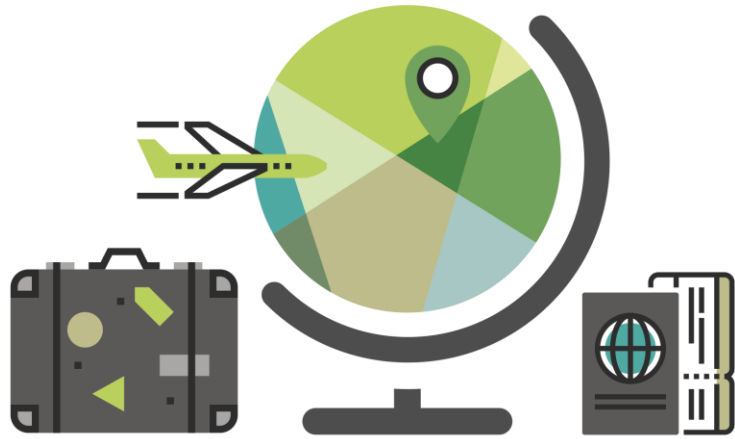

This is an example of an itinerary for 30 people. All our itineraries are completely bespoke and subject to suitability and availability.
