# FULL STORY

## SCENIC JOURNEY TO ST MORITZ

On arrival into Zurich, guests will be directed to their private transfer and will continue their onward journey to Chur. Here, the guests will board an impressive private carriage, welcomed with champagne where they will enjoy a delicious lunch onboard as they travel towards St Moritz on a scenic journey, admiring the beautiful lakes and waterfalls along the way. On arrival into St Moritz, our final stop and where guests will be staying for the next three nights, [Kulm Hotel](#). Kulm Hotel is a luxurious 5\* property located in the heart of St Moritz offering stunning views across the lake. After a private check in, guests have time at leisure to explore the hotel facilities. Come evening, we take a short walk to Kulm Country Club which is on property for exclusive welcome cocktails in the bar followed by a sumptuous three course dinner in the club's private dining room. After dinner, guests can continue late night drinks in the Country Club Bar.

## ON TOP OF THE WORLD

After a delicious buffet breakfast, we take a short private transfer to Samedan Airport where guests will embark on an exclusive helicopter experience across St Moritz. With the exceptional views over the majestic Swiss Alps, we touch down on the highest point in St Moritz, Corvatsch Mountain which is approx. 3451m high and this is where guests will enjoy a snowshoe safari with a stop for mulled wine along the way before reaching our location for lunch. Restaurant 3303 is where the group hang up their

snowshoes which offers immense panoramic views over the numerous mountains and specialises in unique polenta dishes. After lunch, it's then time to board the cable car for a return to the base of Corvatsch. In this time, guests have the chance to admire the natural beauty of the surrounding lakes, mountains and villages. On arrival back to the hotel, our time can be spent in the hotel bar or nestled in the hotel spa which oozes elegance and luxury. This evening, it's a short walk from the hotel to La Stalla, a traditional Swiss restaurant serving Swiss specialties with an Italian twist. The cheese fondue is a favourite! Guests can continue late night drinks in a reserved area of the hotel bar which boasts a superb live sax player for entertainment.

## THUNDER TO THE FINISH LINE

After a sumptuous buffet breakfast, we head out for an adrenaline filled morning where guests will experience the taxi bob slide, a traditional exhilarating sport in St Moritz. In 75 seconds, guests will thunder to the finishing line in the 4-man bob sleigh at extremely high speeds. Safely nestled between a pilot and brakemen, this experience entails a 1722-meter-long natural ice track which is the largest ice sculpture in the world. Then, it's time to take a short transfer to Muottas Muragl base where guests will board a private funicular. After being whisked to the top of Muottas Muragl mountain, we are greeted with a glass of champagne on the terrace of Romantik Hotel with mesmerizing views across Engadin Lake. Once snapshots had been taken and the champagne had been quaffed, it's time to take our seats and tuck into culinary delights at 2456m high overlooking the glistening snowy protruding mountains. This afternoon, we continue the fun filled activities with tobogganing down Muottas Muragl. Here, we have a chance to show our competitive ability in the thick, white snow as the guests glide down the mountain. Once the group have reached the base on their toboggan,

it's back to the top for another go! After a couple of goes sliding down the mountain, it's time to shake off the snow and relax at the Kulm Hotel. Later that evening, we take a short transfer to dinner at La Baracca. A unique restaurant which was originally a pop-up that became settled due to its high popularity, serving hearty traditional cuisine accompanied with live musicians to complete the final night in St Moritz.

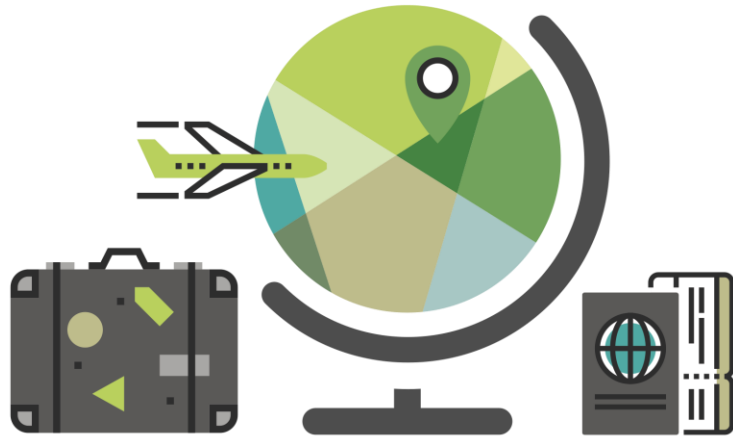

## A FAREWELL LUNCH

As the trip comes to a close, guests spend their final morning at leisure. A popular choice was to explore the city and its luxurious shops before checking out of the hotel. Then, it's onwards to Zurich Airport. But first, it is a stop to Schloss Maienfeld for lunch, an impressive 13<sup>th</sup> century castle located in the city of Maienfeld. After guests have delved into the delicious cuisine, it's time to jump back on board and head to the airport for their return flight home.

This is an example of an itinerary for 20 people. All our itineraries are completely bespoke and subject to suitability and availability.
